The Hanbury Range is built by Orchard Marina and Collingwood Boats and is exclusively available through the New and Used Boat Co.

Overview

- Fully lined in oak or ash veneer with oak or ash hardwood trims.
- Fully windowed, with a mix of windows and port holes which are gold anodised in colour.
- Exterior paint work in one colour with coach lines (*2 colour paint options available*).
- 3 Bulkheads to your layout (choice of full, half or split).
- Sprayfoam insulated.
- 3 rubbing strakes (*one full length*).
- Glazed hardwood bow doors and all steel hardwood panelled stern doors.
- The boat comes fully ballasted (*Customer to install trim ballast as needed when fitted*).
- Hull is blacked – this is not suitable for salt/brackish water.

Steel specification

- Plating 10mm/6mm/5mm/5mm
- Water Tank Stainless steel 180 gallons (*approx*)
- Fuel Tank 55 gallons (*approx*) with recessed filler and drain off
- Style Cruiser
- Decks All self draining
- Weed Hatch Quick release
- Fender eyes Recessed
- Pole & Plank rack Fitted to roof
- Gas Locker Forward end, capacity 2 x 13kg bottles

Engine

Canaline 52, 4 cylinder 2200cc engine with twin alternators - 50A and 175A, low noise Indirect Injection. PRM 150 hydraulic gearbox. Deluxe engine control panel with tachometer, high engine temperature, low oil pressure & no charge from alternator, voltage indicator, temperature gauge and oil pressure gauge. 3 year warranty.

240v

Cables run behind the lining, with loops at six separate points along the boat. This cable terminates at the distribution point.

12v

12v tail in the saloon. Lighting tails in the saloon: 4 x wall lights leading to the cable duct in the roof. Horn and headlight cables at the bow, ready to be connected. Coaxial cable in the saloon for the TV. Cables for the water pump, shower pump, cooker ignition and toilet. Heavier cable leading to the galley for the fridge.

Tanks

Stainless steel water tank 180 gallons (*approx*). Diesel Tank 55 gallons (*approx*). Pressure tested.

Vents

4 Mushroom vents over appropriate rooms down the length of the boat and louvered vents in the bow and stern doors.

Windows

Variety of windows fitted to both sides with a choice of 12" or 18" port holes and a mix of 18"/36"/42" sized windows.

Lining and wood type

Oak or Ash faced plywood with matching hardwood trims with deep trim at the bottom of the cabin lining at gunwhale height.

Bulkheads

3 internal bulkheads as standard (2 on 50'), not including the fore and aft. Positions of these as per customer choice. Extra bulkheads at £395.00

Choices to include:

- A) Half bulkhead (To gunwhale height)
- B) Split bulkhead
- C) Full bulkhead

Insulation

Spray foam throughout, down to floorboard level.

Ballast/floor boards

Broken concrete slabs with felt underlay; the floorboards are WBP grade plywood.

Sailaway Plus 57 x 10ft £48,950 inc VAT

Additions pack:

240v: Fully operational 240v ring main with 6 double brass or chrome sockets, galvanic isolator and AC breaker panel.

12v: All 12v tails are full length from the point of appliance to the 12v distribution panel at the aft end of the boat. This panel is fed by 3 x135amp leisure batteries. 12v tails are included to a point in the saloon next to the 240v point, in the bathroom and in the bedroom; Lighting tails in the saloon for 4 x wall lights and LED's fitted throughout switched to each individual room; Horn and headlight cables at the bow are connected.

Coaxial cable in the saloon for the TV, cables for the water pump, shower pump, shaver point, and toilet, heavier cable leading to the galley for the fridge.

Central Heating: Diesel central heating with 3 radiators along length of the boat and 1 towel rail.

Plumbing: Plumbing system in (with hot/cold tails ready to connect to) with Calorifier, connected to diesel central heating and engine.

Inverter: 1800w Sterling inverter.

Sailaway Plus/Additions 57 x 10ft £55,950 inc VAT
