## Rhyddid £34950

**SOLD**

### **Stephen Goldsborough 1991 - 60ft - Traditional Stern Narrowbeam boat lying at Mercia Marina**

Rhyddid is an interesting boat, bespoke built for the present owner by the well respected and award winning Stephen Goldsborough. The brief was to build a boat which would be comfortable and have easy access for a wheelchair. The bow section of cabin is enclosed with large windows and dividing doors creating a nice summer room feel. From the stern there is the engine room housing all facilities including the Onan generating set. Forward is the bedroom which can be accessed via a drop down door. From the bedroom you enter the walkthrough bathroom with bi-fold doors either end. Next is the lift room which could be an office, bedroom or utility room. Galley with gas hob microwave and 12v fridge. A comfortable saloon with seating which double as extra sleeping for guests. There is much quality throughout this boat as you would expect from the builder. Please note the bow thruster does

Printed on 11th November 2019
