SOLD

ABC 2016 - 57ft - Cruiser Stern Narrowbeam boat lying at Mercia Marina

Clarette has the feel of a very modern apartment internally, benefitting from a very light, and airy fitout, this gives a great feeling of space. The boat is as new having been used very little since being built for her present owners. The layout is reverse with the galley at the stern. The units are a high gloss beige, complimented with oak work tops. Appliances include a built in microwave and Beko washer dryer. The saloon is very open with a long L shape seating area which is a great dining area, as well as being able to convert into sleeping for guests. An alternative to a solid fuel stove is the very efficient Bioethanol stove, situated towards the galley. A very clean and modern bathroom is off the corridor with shower cubicle, sink in vanity unit and cassette toilet. Forward bedroom with lift up double bed, giving easy access to storage. There is 1 double and 1 single wardrobe.
