Theophilus £64950

SOLD

Steve Priest, Brinklow Boat Services 2008 - 60ft - Traditional Stern Narrowbeam boat lying at Mercia Marina

Theophilus is a very special boat, a remake of a middle Northwich, built by Steve Priest of Brinklow Boat Services, a yard renowned for their remakes of working boats, to the extent that the back cabin and engine room on Theophilus is hot riveted. This truly is a stunning looking boat. From the stern there is the boatmans cabin with Classic range, drop down table, drop down bed and side bed, making this an ideal space for guests. Engine room with the gleaming 2LW Gardner engine with hydraulic gearbox. Walk through bathroom with 4' bath with shower over, sink in vanity unit and cassette toilet. Bedroom with cross bed, wardrobes and overhead locker. Galley with fridge/freezer, microwave and Spinflo cooker. Forward saloon with stable doors opening out into the large canvas covered forward hold area. This boat isn't the run of the mill traditional looking boat, which is why we call it a remake.

Printed on 28th November 2019

Theophilus

CONSTRUCTION

Width	6'10"	Draft	29
Construction	Steel	Horse Power	28
