## Harlequin £37950

### **Tyler Wilson 2000 - 50ft - Traditional Stern Narrowbeam boat - Outlying**

Harlequin is a boat built by Tyler Wilson in 2000 with a fitout by A.Jackson. The hull has recently been shot blasted and epoxy coated. The external paintwork is in nice condition, still looking very smart. The layout is traditional with a large saloon forward, ideal to take loose furniture. A multi fuel stove in a fireplace is set between the galley and the saloon. The galley has units either side with a central walkway. Off corridor bathroom with 4' bath with shower over, sink in vanity unit and cassette toilet. Bedroom with cross bed, overhead locker, under bed storage and wardrobe. Engine room at the stern housing the engine and services. Although the stern is traditional a large slide gives the feel and room of a semi trad. Outlying boat, call Mercia to arrange viewing
