Narrowcraft
2014 - 30ft - Semi-traditional Stern
Narrowbeam boat lying at Mercia Marina

We are selling Tilly, our 30' semi trad narrowboat. Tilly has been used as a dayboat by us for the last 3 years and has been continually maintained to give faultless service. She would make an ideal day hire boat as we have used her, or as a family dayboat. The roof line continues over the forward well deck to give a comfortable seating area for 6 with roll up canvas sides and a table on desmo legs for dining. Inside the boat there is a seating area with units opposite. For cooking there is a 2 burner hob with a sink and drainer alongside. Opposite the galley is the toilet compartment with a Mansfield pumpout toilet. The stern is semi traditional with seating either side with storage under. Call Mercia for more details.
