Joly Da Roma £45950

Stenson MCC 2001 - 57.5ft - Semi-traditional Stern Narrowbeam boat lying at Mercia Marina

Joly Da Roma is a boat we have known for while, having sold her to her present owner. The style is the very popular semi trad which benefits from a pram cover over. From the bow you enter the saloon which has a recently installed diesel Reflex stove. On the bulkhead between the saloon and the galley is a hinged table for dining. U shape galley with a set of side doors opposite. Bathroom with shower, sink in vanity unit and room for a cassette toilet. Bedroom with fixed double, wardrobe at the foot of the bed, overhead locker and dressing table. 2nd bathroom with pumpout toilet and sink in vanity unit. The washing machine is housed in this bathroom. This is a nice boat with good standard of woodwork.
