Swan Line
1971 - 45ft - Cruiser Stern
Narrowbeam boat lying at Droitwich Spa Marina

Vectis is a cruiser style narrowboat. She has been cared for by current owner for the past 43 years. As an older boat she does require modernisation and as such will be a 'project boat'. From the covered cruiser stern deck with a quite new pram cover down centre doors into the boat. Shower is immediately to the port side and toilet & washbasin to starboard. Full height wardrobe then two single berths with storage below. The next cabin has a single berth with storage below and bookshelf opposite. Through a privacy door leads into the walkthrough galley with a new Paloma gas water heater, stainless steel sink/drain and freestanding cooker. The end of the galley leads to two bench seats, then out through timber half glazed doors onto a covered well deck. Project boats requires modernisation. Hull survey carried out in September 2017 available to view.
