Rite of Spring £22500

Conmac / Eggbridge Boatbuilders 1983 - 37ft - Cruiser Stern Narrowbeam boat lying at Mercia Marina

Rite of Spring is a nice little 37' cruiser stern narrowboat, benefiting from a recent new fitout by a local joiner to a very good standard. From the cruiser stern you enter boat through 2 generous sized doors. On the port side is a bathroom with cassette toilet and small shower, there is a wash basin outside the bathroom. The galley has a freestanding Vanette cooker, 12/24v fridge, Morco instant water heater and microwave. In the saloon area is a multi fuel stove set in a tiled fireplace. On the opposite side there is under gunwale shelving, this as the rest of the boat is all done in a nice light oak. Forward there are two seating areas, one either side of the boat, these also act as 2 single beds or could be made up as double bed. Much money has been spent on this boat, maintaining and adding to the boat to create a modern, newer feel to this boat inside.
