## Sir Tristram £72950

### **Collingwood 2013 - 57ft - Semi-traditional Stern Narrowbeam boat lying at Mercia Marina**

Sir Tristram is a very nice example of the very popular Swallowtail, reverse layout narrowboat, commissioned by the present owners through us at Mercia. Sir Tristram is in lovely condition as reflected in the exterior paint work and interior wood work. From the semi trad stern you enter the galley with eyelevel oven and grill with a microwave above and 12v Shoreline fridge below. The work tops are in granite. An L shape saloon provides the perfect dining area as well as a make up bed for guests. The saloon has 2 captain style chairs, a built in under gunwale unit with a TV and a multi fuel stove with a dresser unit alongside. The bathroom is off corridor with a sliding door. Inside the bathroom is a cassette toilet, sink in vanity unit and quadrant shower. Forward bedroom with an easy action cross bed, wardrobes and bedside cabinets. This is the boat most in demand, 57' reverse layout.
