Midland Canal Centre
2007 - 58ft - Traditional Stern
Narrowbeam boat lying at Blisworth Marina

Avanti is a beautifully maintained and cared for boat, built by one of the most respected names in the business. The all porthole design combined with dual part glazed pigeon boxes gives an incredibly private but also light and bright cabin interior. The quality coach painted finish has been lovingly cared for and looks as good today as it always has. From the stern Avanti has a well laid out, neat and tidy engine room housing the Yanmar 45hp engine that is as clean as the proverbial whistle. The bedroom has a fixed bed and large wardrobe, followed by the bathroom either side of the central corridor which can cleverly convert to a large cross bathroom using the second wardrobe and toilet doors. A large split galley has two sets of side doors, ample storage and quality appliances. Forward the saloon benefits from an L shape dinette, freestanding seating and a stove on a tiled hearth.
