**SOLD**

**Napier**  
**£48950**

**JD Boat Services**  
**2007 - 50ft - Traditional Stern**  
**Narrowbeam boat lying at Mercia Marina**

Napier is a boat I've long admired and using classic car jargon could be described as a future classic.

Built by JD Boat Services in the style of a BCN tug, Napier is a real workman like boat.

From the stern there is a back cabin with fixed double bed with storage under, wardrobe and overhead shelf at the head of the bed. At the feet of the steerer is a coal stove for comfortable winter cruising.

The engine room houses a 56hp Gardner 4LW with a PRM 500 hydraulic gearbox. There is good room around the engine for keeping the pipe work polished!

Walk through bathroom with shower cubicle, cassette toilet and sink in vanity unit.

Galley with 12v fridge and New world cooker.

Forward saloon with a new especially built for the boat, sofa bed and reclining chair. On the side of the front is a Reflex diesel stove with back boiler.

Looking for a tug? look no further.

Printed on 23rd February 2015
