**Ian Clifton**  
**1994 - 50ft - Traditional Stern**  
**Narrowbeam boat lying at Mercia Marina**

Drum was built and fitted out by the late Ian Clifton. Ian built many fine traditional style boats, doing both the steel work and the interior fitout.

Drum is a well balanced 50' tug style boat with a long tug deck with small fore cabin housing 2 gas bottles.

From the stern there is an engine room housing a Lister SR3 and all services.

Forward of the engine room is a bedroom with cross double with storage under, wardrobe and bedside cupboard. The bed can be left made up making this a nice private bedroom.

Off corridor bathroom with shower, cassette toilet and sink in vanity unit.

Galley with good range of appliances, there is a set of side doors opposite the galley.

Forward saloon with multi fuel stove with back boiler. Either side of the front doors there is fixed seating with storage under. This area converts into a double berth as well dining area.
