**S.M.Hudson
1999 - 62ft - Traditional Stern
Narrowbeam boat lying at Outlying Marina**

Zappa is a fine example a traditional Hudson boat. The overall appearance is of a well looked after boat with good paint work and good solid traditional lines.

The interior despite having portholes is very light and airy benefiting from a mixture of different finishes.

Traditional layout with a large open plan saloon at the front with 2 new armchairs. Galley with new appliances, good work space and excellent storage.

Bedroom with double bed which can be used as a full width cross bed as well as a conventional bed.

Bathroom with 4' bath with shower over, Traveller pumpout toilet and sink in vanity unit. Engine room with side doors either side. Plenty of room to access either side of the engine.

Back cabin which is of the usual high standard found on Hudson boats.

Zappa also benefits from a cratch and cover for winter use.

Accompanied viewing by appointment only through Mercia office.
