G&J Reeves 2002 - 66ft - Semi-traditional Stern Narrowbeam boat lying at Mercia Marina

Critical Point is a beautifully crafted boat built with great care and attention to detail. The wood work has flowing lines giving the feel of a very bespoke boat.

Much thought has also gone into the layout making this a wonderful livaboard or comfortable cruising boat for up to 6 people. From the larger spacious well deck which in the summer would become part of the saloon you enter into a large saloon with L shape seating which doubles as dining and sleeping. There are 2 tables on desmo legs for dining for 2 or 6. In the base of the dinette is a handy freezer unit. Well equipped galley with dishwasher. Walkthrough bathroom with self contained toilet closet. Bedroom with fixed double, wardrobe and dressing table. Stern cabin which can be a comfortable second lounge area or second double bedroom.
