Aqualine 2005 - 57ft - Traditional Stern Narrowbeam boat lying at Mercia Marina

The Cats Whiskers is an Aqualine Manhattan with one owner from new. Aqualines are always in demand due to the quality and style of both steel work and internal wood work. With this in mind second hand values are always buoyant. The Cats Whiskers has a traditional layout with a large forward saloon with a multi fuel stove set in fireplace to one side of front doors with a cabinet with units running off under the gunwale on the opposite side, this unit includes a built in TV with DVD unit, VuQube satellite. Galley with breakfast bar and 2 stools. Granite work tops give the galley a luxury feel. off corridor bathroom with sink in vanity unit, tiled, solid wood framed shower cubicle and cassette toilet. Bedroom at the stern with extending double bed with storage under. Either end of the bed is a single wardrobe there are also overhead lockers. Nice example of a well looked after Aqualine.
