Widdowson 2005 - 55ft - Cruiser Stern Widebeam boat lying at Outlying Marina

This is a very well appointed livaboard widebeam. Although only 55' in length Shimmer has the feel of a much larger boat inside, with great use of space particularly in the way the bedroom is laid out. From the covered cruiser stern which has built in seating you enter the boat with a passage way down the starboard side with bathroom and bedroom off. The bathroom has recently been re-fitted to a very high standard to include, full length bath with shower over, sink in vanity unit and Thetford toilet. Bedroom accessed through privacy doors has a fixed double bed with wardrobes to one side and dressing table area with cupboards on the opposite side. Well laid out galley with full range of appliances including washing machine, fridge and separate freezer. Large forward saloon with double glazed doors leading on to the forward well deck.

Double glazed throughout, great livaboard.
