Britannia £72950

SOLD

Stuart Hodges 2005 - 65ft - Traditional Stern Narrowbeam boat lying at Mercia Marina

Britannia is a credit to its present, and only owners. Giving the best of both worlds, Britannia is of traditional design, but with a large slide over the stern giving a semi trad during the day and the security of a trad at night. Britannia was built to be a comfortable livaboard/long term cruising boat, with a comfortable forward saloon with 2 leather chairs, Kabola diesel fire and corner cupboard with shelving off. Raised L shaped dining area which also converts into extra sleeping for guests. Well appointed galley with side doors opposite. Off corridor bathroom with Thetford toilet, sink in vanity unit and tiled shower cubicle. Bedroom with fixed double, wardrobe, dressing table and overhead lockers. Utility room with washing machine, tumble drier and freezer. Very well equipped boat with a high standard of wood work. Viewing highly recommended.

Printed on 26th February 2016
