Sunflower £69950

Graham Reeves 2001 - 60ft - Semi-traditional Stern Narrowbeam boat lying at Outlying Marina

Sunflower is a beautifully crafted boat designed by its owner and built with great attention to detail throughout. Much thought has gone into the layout making this a wonderful livaboard or comfortable cruising boat for up to 6 people. From the stern steps down into a guest/utility area with a 6'1"x 4' cross bed, wet locker and airing cupboard (both heated) and ample storage, through to bathroom with separate toilet, through to a well equipped main bedroom with hatch to port ample storage including a wardrobe with drawers under and lockers under the bed, through to a well equipped galley with hatch to starboard, through to saloon area with L shape dinette which converts for additional berths with the option of two sizes of table, very well thought out storage including under and behind dinette. A real credit in design and condition to its current owner. Currently out cruising.
