Mike Christian 2005 - 57ft - Traditional Stern Narrowbeam boat lying at Mercia Marina

Early Bird is a well built boat, steel work by Mike Christian with a solid fit out by the present owner to suit his livaboard requirements. The boat is traditional in style incorporating the owners own ideas such as the solid hinged wings giving protection on the traditional stern area. Inside the boat is a traditional layout with a small forward saloon with multi fuel fire, cupboards either side of glazed front doors and under gunwale book case. Bedroom with fixed double with storage under. Off corridor bathroom with quadrant shower, pumpout toilet and sink in vanity unit. Heavily built galley with solid wood work tops. Good range of appliances including Bosch oven and hob, microwave and washing machine. A passage way leads off the galley onto the stern. Off the passage way is a useful cabin for storage or a second toilet. View by appointment, Mercia office.
