SOLD

Stourbridge Boat Builders 2013 - 59ft - Cruiser Stern Narrowbeam boat lying at Mercia Marina

Progress is a well laid out 59' cruiser stern narrowboat, in as new condition with only 16 hours on the engine clock. Built as a livaboard boat the owners wanted a very light interior, hence the painted panels throughout giving a real feeling of space. The layout is the ever popular reverse layout with the well equipped galley at the stern. A large saloon with multi fuel fire, below gunwale mounted TV and 2 chairs make this a comfortable living area. Forward of the saloon area is an L shaped dining area which also converts into an extra double berth for guests. Walk through bathroom with quadrant shower, sink in vanity unit and Thetford toilet. Forward bedroom benefiting from using the full width of the boat, there is also a wardrobe and dressing table area. Nice boat with a good specification for long term cruising.

Printed on 14th January 2016
