Canalcraft/J D Boats 2000 - 58ft - Cruiser Stern Narrowbeam boat lying at Mercia Marina

A boat for all seasons and weather. Beautiful condition. 58ft Hull built by Canal craft in 2000 and fitted out over the next 3 years by the owner who is a professional Joiner/cabinet maker. First used late 2003 with many of the major components purchased and fitted in 2003. This is a fantastic design with dual controls for either driving from the cruiser stern position with the tiller or using the hydraulic steering from a very comfortable heated wheel house. With a 2m air draft the current owners have travelled over most of the canals and rivers in the UK and never had a problem with the height of the fixed wheelhouse. Fully fitted out with everything you will need to live aboard, including large Hoover washing machine, fully equipped galley, all linen and large bathroom with pump out toilet and spacious shower. Has a fixed double bed and a pull out sofa bed.

Printed on 30th July 2016
