NEW - Jupiter Barge

Under Offer **£139950**

Nottingham Boat Co **2015 - 65ft - Cruiser Stern** **Dutch Barge boat lying at Mercia Marina**

The Jupiter offers something different from the normal wide beam boats that populate the waterways today, with more of a look of a commercial barge, but with all the mod cons that have become the norm on today's canal and river craft. The detail in the steel work is pleasing to the eye and also very practical. Wide gunwales make moving around the barge very easy, steering the boat is a joy due to the low cabin profile and high stern deck. Inside the boat there are 3 bedrooms making this a very practical family boat to live on, the galley has a large run of units with shaker styling. The work tops are in solid oak with granite around the sink unit. Saloon with feature dresser unit and solid fuel stove, Off corridor bathroom with quadrant shower, macerator toilet and sink in vanity unit. Call Mercia office for more details.

Printed on 22nd February 2016
