Martin Pecheur £51950

SOLD

Colecraft 2007 - 62ft - Traditional Stern Narrowbeam boat lying at Mercia Marina

Martin Pecheur is a very comfortable 62' traditional style narrowboat, built to a very good standard. From the stern there is a very practical boatmans cabin with a generous 4' drop down bed making this a great cabin for guests. All the normal things are in this cabin including the Classic stove which makes winter boating a joy. Engine room housing a Beta JD3 engine and all services. Walk through bathroom with quadrant shower, Thetford toilet and sink in vanity unit. Bedroom with fixed double bed with storage under, large wardrobe taking up the full width of the bulkhead and Over head lockers. One of the most impressive galleys I've seen for storage, good range of appliances including a washing machine. Forward saloon with corner stove to one side of glazed front doors and TV cabinet on the opposite side. The saloon comes with it's own set of optics! Nice boat with lots of character.

Printed on 12th August 2016
