Victoria £46950

Les Allen 1989 - 60ft - Traditional Stern Narrowbeam boat lying at Mercia Marina

Victoria is a fine ship built by one of my favourite yards, Allen's of Oldbury, unfortunately no longer trading, but still has a very strong following amongst its owners, backed up by the Allen register. Victoria is 60' in length and very much a livaboard boat. The present owner, who is himself a boat builder has had the boat shot blasted, painted and epoxy blacked in 2013, at the same time 6 anodes were fitted. Layout from the stern is- Engine room housing the Lister HA3 and all services. Bedroom with double bed, wardrobe, overhead lockers and dressing table. Bathroom with Mansfield pump out, shower and sink vanity unit. Very useful full width of boat hallway with doors either side and cupboards. Galley with wooden work tops and tiled floor. L shape dinette which converts into extra sleeping and forward saloon with cupboards built in either side of front doors glazed doors.

Printed on 21st February 2017
