Colecraft 2006 - 57ft - Cruiser Stern Narrowbeam boat - Outlying

Moonlight is a well crafted narrowboat built by the well respected builder Colecraft. The wood work is detailed throughout reflecting a bespoke built boat. The layout is traditional with a comfortable bedroom at the stern with a larger than normal fixed double bed, under bed storage, wardrobe and dressing table. Walkthrough bathroom with shower cubicle, Thetford toilet and sink in vanity unit. The washing machine is housed in the bathroom . Well equipped galley with bespoke oak units. The granite work tops are new and really work well with the oak units. Much of the appliances are new, including the hob and oven, also the fridge. Large forward saloon with fire to one side of glazed doors with a cupboard on the opposite side. A TV is mounted under the gunwale. Nice quality built boat, well looked after by her present owners. Viewing by appointment through Mercia office.
