CMOON £68950

SOLD

Elite 2008 - 58ft - Traditional Stern Narrowbeam boat lying at Mercia Marina

CMoon is a lovely individual boat, full of character, built for her present owners in 2008. Ever popular reverse layout with a traditional stern, but with a large slide over the back, when this is open you have all the benefits of a semi trad stern, but at night can be closed to give all the benefits of a secure traditional stern. The interior woodwork is in maple, giving a nice warm mellow feel. There are some really nice features in this boat like the arch topped doorways into the stern of the boat and either end of the walk through bathroom. The interior layout is, galley at the stern, Pullman dinette for dining and sleeping for guests. Saloon with custom made storage sofa. Walk through bathroom which houses the washing machine. Forward bedroom with large cross bed. Throughout the boat there is excellent storage. Bow camera, full gauge set, alarm system plus much more. excellent livaboard.

Printed on 8th May 2018
