Collingwood 2008 - 57ft - Cruiser Stern Narrowbeam boat lying at Mercia Marina

If your looking for a narrowboat with a modern apartment feel and without gas, then Equilibrium could be the boat for you. The boat has been lived on by it's present owner for a number of years, the aim was to be able to live on simply, without gas and live as you would in a house with 240v appliances throughout. Gas could be added to the boat quite easily if required and suitable appliances added. The layout is the ever popular reverse layout with a galley at the stern followed by a very practical 2 seater dinette area. The saloon area has a comfortable sofa, TV mounted below the gunwale with a glass fronted storage unit below. On the central bulkhead is a multi fuel stove. Walk through bathroom with quadrant shower, sink in vanity and Thetford toilet. Forward bedroom with fixed double with storage under, overhead locker and wardrobe.
