Piper
2008 - 60ft - Traditional Stern
Narrowbeam boat lying at Mercia Marina

Holly is a local boat to us, and has always been a credit to her owners, with smart paint work and clean brasses. Holly was bespoke built by the well respected Brazel Narrowboats on a Piper shell. Holly is a traditional style narrowboat externally with a modern reverse layout. From the stern there is a utility area with washing machine and tumble dryer, on the opposite side is a cupboard housing the calorifier with an airing cupboard above. The galley is well equipped with a good range appliances. Excellent work tops either side as well as wall mounted cupboards. Long saloon with a very striking Iroko floor. Walk through bathroom with quadrant shower, sink in vanity unit and Thetford cassette toilet. Bedroom with cross bed & excellent storage. Holly is a very comfortable, cruising and residential boat which also benefits from a full professional repaint in 2016. Nice boat, viewing recommended.

Printed on 16th April 2019
