Hang Loose £97950

Colecraft / Cherilton 2016 - 58ft - Semi-traditional Stern Narrowbeam boat lying at Mercia Marina

Hang loose is a very complete boat, bespoke built to live on comfortably with every convenience for the present owners, including having the ability to set the heating running and also put on the front lights whilst away from the boat. The layout is traditional and the fit out is a pleasing mixture of painted panel and deep oak mouldings. All the units have been hand built for the boat. From the bow there is a comfortable saloon with cupboards and a raised L shape dinette area which will also double as sleeping. A well equipped galley with quartz work tops and the very important wine coolers in the floor. Walk through bathroom with shower, macerator and sink in vanity unit. Bedroom at the stern with king-size cross bed, wardrobes and overhead lockers. As you would expect from the price, this is a quality, near new boat with a high specification, having had very little use.

Printed on 11th July 2019
