**Stenson  
1991 - 31ft - Cruiser Stern  
Narrowbeam boat lying at Mercia Marina**

Catref is a lovely little boat, benefitting from having much money spent on her in recent years , this is reflected in the very smart paint work on the exterior. At 31'Catref is an excellent first boat for weekends and holiday, she could also make a home for someone venturing out on their own. From the stern there is some seating which by night can be a single berth. Opposite is an off corridor bathroom with a cassette toilet and sink in a vanity unit. A board in the floor lifts out to provide a shower tray. Forward is a small galley with a Shoreline 12v fridge and a SMEV oven and hob. The saloon has seating either side which makes up into a double berth at night. Between the saloon and the galley is a multi fuel stove.

There are 2 recent surveys from 2011 & 2017. A new gearbox was fitted in 2018. In 2017 the hull was taken back to bare metal and then coated with 2 pack. Nice little boat
