Bridgewater Boats 2002 - 58ft - Traditional Stern Narrowbeam boat lying at Dunchurch Pools Marina

Double Dutch is a fine example of a one owner, well cared for boat. The exterior paint work is fresh and bright, reflecting a professional re-paint in 2017, at the same time she was re-blacked. The layout is traditional with a comfortable saloon at the front, entered into through stable doors. The saloon has 2 leather captains chairs & a multi fuel Bubble corner stove. There is some nice detail in the wood work as reflected in the curve on the cupboard on the opposite side. An L shape seating area converts into sleeping for guests as well as having a very practical freestanding, storage table for dining. The galley is well equipped with a very useful pull out pantry cupboard. Walk through bathroom with a very clever separate toilet compartment. Bedroom with a large extending bed with storage under, wardrobe and overhead lockers. This boat was built for extended cruising / residential use.
