Dave Thomas 1992 - 51.6ft - Traditional Stern Narrowbeam boat lying at Mercia Marina

"SS" Irwell at 51'6" is a good go anywhere livaboard boat. Much work has been done over the recent years, including an engine re-build in 2017, alternator upgrade in 2017, new batteries in 2018 and new CV joint, stern tube, prop shaft and propeller in 2016.

The layout is traditional with a saloon at the bow followed by the galley, bathroom and bedroom. Over the steering position at the stern the present owner has made a very useful mini removable wheelhouse .
