**1994 - 41ft - Traditional Stern**  
**Narrowbeam boat lying at Mercia Marina**

This really is lovely little boat, in excellent condition. The interior wood work which is American ash, is of the highest order. This boat can be lived on or used for holiday or weekend use. At 41' the space is maximised giving a good size bedroom at the stern with wardrobe, overhead locker and storage under the bed. The bathroom is the now popular walk through with the advantage of having a separate toilet compartment with privacy door, thus not cutting off the boat when in use during the day. Well laid out galley with ample work top and storage space. Comfortable saloon with seating either side which will convert for sleeping as well as giving the opportunity for a table in the middle. A recent survey (2019) is available to view showing the steel work is in excellent condition.
