SOLD

Midland Canal Centre 2003 - 60ft - Cruiser Stern Narrowbeam boat lying at Mercia Marina

Brandywine is a very well laid out 60' cruiser stern narrowboat. Many people dislike the traditional layout due to you entering the bedroom directly from the stern deck. On Brandywine from the stern deck there is a very useful utility room housing the washing machine and second fridge. There is enough room in here to create an office or use as a laundry room. Going forward is the bedroom with fixed double with storage under. The bathroom is off corridor with a pumpout toilet, sink in vanity unit and shower. The U shape galley has a Vanette cooker, microwave and Inlander fridge. The saloon is open plan with a drop leaf table for dining, a multi fuel stove to one side of the glazed front doors and a cupboard on the opposite side. We need to confirm that the bow thruster is working.
