Liverpool Boat Co 2006 - 58ft - Cruiser Stern Narrowbeam boat lying at Dunchurch Pools Marina

Heather May has been maintained to a high standard by the present owners who have had the boat for 10 years. Recent on going maintenance includes a full professional re-paint in 2018 which still looks as new. New batteries in 2018 as well as a new inverter. At the time of the re-paint which included re-blacking some light corrosion was found along the waterline, it was decided to weld a plate either side from bow to stern covering the waterline only. This boat is a very comfortable 6 berth holiday or residential boat, fully equipped to cruise away today. For more details call Ian - 07799 858980
