R&D Fabrications 2000 - 57ft - Traditional Stern Narrowbeam boat lying at Dunchurch Pools Marina

Namrod is something special, very much a bespoke boat with a lovely heavy fitout, a boat for someone who is looking for something a little different. Entering from the covered well deck area you enter the saloon with a multi fuel fire with a back boiler set in tiled fireplace to one side of the front doors and on the opposite side is a TV cabinet. There is an L shaped dinette which will make into sleeping for guests. The galley is u shaped, with an eye level Vanette cooker, washing machine and 12v fridge. Off corridor bathroom with shower, cassette toilet, sink in vanity unit and overhead cupboard. The bedroom has a fixed double bed with storage under, wardrobe with sliding doors and overhead locker. The heart of the boat is the engine room housing the 2 cylinder Dorman and all easy to get to services. This is a very well cared for boat with much character. Call Ian for details, on 07799858980
