Liverpool Boat Co 2006 - 55ft - Semi-traditional Stern Narrowbeam boat lying at Mercia Marina

Serenity is a very well laid out 55' semi trad narrowboat which makes use of every bit of space. Entering from the bow you have the saloon with multi fuel stove set between the galley and the saloon, there are several freestanding cupboards and an under gunwale mounted TV. The galley is well equipped with a washing machine, freestanding cooker and microwave. Next is the bedroom with fixed double bed with storage under and overhead lockers. A large wardrobe is situated between the bedroom and bathroom, almost a dressing room. The bathroom has a shower cubicle, cassette toilet and sink in vanity unit. At the stern is a very useful cabin with a Pullman dinette which will also convert into another double berth, sleeping across the boat. This a very light and airy boat with a very homely feel.
