Ovation Boats 2020 - 60ft - Cruiser Stern Narrowbeam boat lying at Mercia Marina

We are pleased to have the latest new build from Ovation Boats. Based on the now very popular semi cruiser stern with a reverse layout, this boat has a very light, modern feel, ideally equipped for extended periods on board or residential use. From the stern you enter the galley with its high gloss, easy to clean units with soft close drawers and cupboards. The galley includes a designer fridge freezer and matching black washing machine. There is also room for a microwave. A long saloon has an L shape dinette, ideal sleeping for guests, there is also good storage under. A tv in a framed unit is mounted below the gunwale and a multi fuel stove sits to one side of the central entrance into the bathroom. The bathroom has a quadrant shower, Thetford cassette toilet and sink in vanity unit. Forward bedroom with fixed double, wardrobe, dressing table and overhead cupboards.
