Mel Davis
2006 - 57ft - Traditional Stern
Narrowbeam boat lying at Dunchurch Pools Marina

Hyala is stunning example of a traditional style boat but with a modern stylish interior. From the outside Hyala is very traditional in appearance with recessed panels at the stern, and a clothed up area at the bow. Centre piece of the boat is the magnificent Russell Newbury DM3. From the stern you enter a very practical day cabin which could be used as an office or bedroom, the side seating makes into a double bed, heating is from a Hot Pot solid fuel stove. The engine room houses the Russell Newbury DM3 and all services. The bathroom is a walkthrough with a rolled top bath with shower fittings, cassette toilet and sink in vanity unit. A well laid out galley leads into an open plan saloon with a multi fuel Bubble stove, the forward bulkhead has cupboards either side. The bedroom is under the clothed area which has a steel superstructure under creating a very cosy sleeping space.
