Jesters Tear £47950

SOLD

Reeves 1998 - 60ft - Semi-traditional Stern Narrowbeam boat lying at Hanbury Marina

'Jesters Tear' is a very well maintained 60ft semi traditional stern narrowboat, well proven as a comfortable long term cruising boat as well as liveaboard. The boat and its owner are very well known to us.

The layout is traditional with the saloon at the front with a TV cabinet to one side of the barn style glazed bow doors with a multi stove on the opposite side. The galley has a good run of units plus overhead cabinet. The main bedroom has a fixed 4ft double bed with storage under, full wardrobe to the foot and overhead cupboard with reading lights. The bathroom has the usual with inset washbasin, mirrored vanity above, pump out toilet and hip bath with shower above. There is the bonus of an aft cabin with single bed, washing machine and even more storage.
