Thorne Boat builders
1992 - 46ft - Cruiser Stern
Narrowbeam boat lying at Dunchurch Pools Marina

Nifty is a well maintained 46' narrowboat with an enclosed stern with a door either side, creating a good secure space as well as giving some protection from the elements when cruising. The paintwork is in good order, reflecting the good housekeeping of the present owners. From the stern there is a fixed double bed with storage under and wardrobe. The bathroom is off corridor, this bathroom has a choice of toilets, pumpout or cassette, there is a shower and sink in a vanity unit. The galley has a Smev oven and separate hob, the fridge is a 12v Waeco. The saloon has seating running along the port side which has storage under and will also make into an extra double berth. There is a very nice Taylors stove for heating the saloon area, no mess with these and they don't take up much space. A TV is wall mounted. There is a Houdini hatch between the galley and saloon. Nice boat, good value.
