Shugborough £36950

Ango Welsh 1994 - 65ft - Semi-traditional Stern Narrowbeam boat lying at Dunchurch Pools Marina

Shugborough is a very practical 6 berth boat, ideally set up for family and friends or as a long term residential family boat. From the semi traditional stern you enter the galley with units either side. The saloon area has a sofa bed and a multi fuel stove. There is a set of side doors in the saloon area. This boat has two bathrooms the first of which has a macerator toilet, sink in vanity unit and 4' bath with shower over. Next along the passage way is the first of 2 bedrooms, both of which have fixed double beds. The second bathroom has a macerator toilet, this room could be a useful utility room with the toilet taken out. At the bow is the second double bedroom, this room also has a sink in a vanity unit. This boat has lots of storage and would make a good livaboard with plenty of scope to use the room differently.
