Colecraft 2009 - 55ft - Semi-traditional Stern Narrowbeam boat lying at Dunchurch Pools Marina

Navigator is a lovely example of a well maintained , one owner , semi trad Colecraft. Without knowing the age it would be very hard to separate this boat from a boat half it's age. The boat has been maintained regardless of cost by the very diligent owners who commissioned the boat. From the well deck which has a cratch cover supported by a tubular frame, making removal very easy, no cratch board to store. The saloon is light and airy as is the rest of the boat. There are cupboards either side of the glazed, steel bow doors. A sofa bed provides sleeping for guests. The galley is well laid out with a good selection of floor and wall units. The bathroom is a walkthrough with cassette toilet, sink in vanity unit and shower. The bedroom has a fixed double with storage under. Not everyday we come across boats like this.
