Rachel II £24950

Sibley Mill 1990 - 42ft - Traditional Stern Narrowbeam boat lying at Mercia Marina

Rachel II is an ideal starter boat for 2, or indeed a potential livaboard as it has been previously. From the bow you enter the open plan saloon with the essential multi fuel stove. The galley has units either side with a fridge / freezer and Flavel cooker. There is room for more units or maybe a washing machine below the work tops. The central passage way from the galley has a toilet compartment to one side with a shower on the opposite side. Going forward you enter the bedroom which has a cross bed with storage under, wardrobe and wash basin in a vanity unit. The engine room can be accessed via a door at the side of the bed or from the stern. There is a recent hull survey confirming the good condition of the hull.
