**Yarwoods of Northwich
1934 - 40ft - Traditional Stern
Narrowbeam boat lying at Mercia Marina**

I believe Pacific is probably the most complete boat of its kind that we have had the privilege to sell here at Mercia. She was lovingly restored a few years ago, including a full restoration of the Lister HAW3 along with the Blackstone gearbox. There are surveys from 2016 & 2019 supporting the work undertaken. Pacific is one of a pair of distinctive tugs built by Yarwoods for Stewart & Lloyds of Halesowen. Originally the tugs were numbered 4 & 5. Everything about Pacific is reflective of a well restored boat, but the outside is only half the story, this boat is also comfortable inside with modern features such as, Webasto heating, a Reflex diesel stove in the back cabin, Victron inverter, Victron battery charger, Shoreline fridge, stainless steel water tank and a shower! The wood work throughout is lovely and has the feel of classic river boat. Call Ian for more details - 07799 858980
