Peacock Boat Builders

2020 - 58ft - Cruiser Stern

Narrowbeam boat lying at Mercia Marina

We are pleased to be able to showcase this new boat from Peacock Boat Builder. From the outside you can't fail to be impressed by crisp paint work on this 58' cruiser stern narrowboat. The layout is the ever popular reverse layout and entering the boat from the stern you drop down into the galley with its modern gloss finished units topped with a granite work top. All the appliances you need for living or extended cruising, including a washing machine. A breakfast bar provides the perfect spot for dining, whilst freeing up space in the saloon for loose furniture. A central solid oak door gives access to the walk through bathroom which has a cassette toilet, sink in a granite topped vanity unit and quadrant shower. The forward bedroom has a fixed double with storage under, double wardrobe, overhead cupboard and dressing table. Stylish, bright and airy best describes this very modern feeling boat.
