SOLD

MCC Stenson 2004 - 57ft - Semi-traditional Stern Narrowbeam boat lying at Mercia Marina

Viserion is a well proven livaboard, built by the well respected Midland Canal Centre. The layout gives the impression of a larger boat with all rooms a generous size. The layout is traditional with the saloon at the front. The saloon has a multi fuel stove to one side of the bow doors with a TV cabinet opposite. The comfortable sofa bed makes this a 4 bed boat. The galley is well laid out with a good range of appliances, including a washing machine. There is a breakfast bar at the far end . The bathroom is a walk through with a Tecma toilet, shower and sink in vanity unit. The bedroom is at the stern with a fixed double bed with storage under, overhead cupboard and wardrobe. Nice boat, great livaboard.
