**Evans**  
**1996 - 60ft - Traditional Stern**  
**Narrowbeam boat lying at Mercia Marina**

Wilf is unusual in that it has a very useful utility room which could be used as a work shop/ office or turned into another bedroom. The layout of this boat is traditional with a good size saloon at front. to one side of the bow glazed doors is a Solid fuel stove with back boiler, which provides heat to the radiators. On the other side is a TV cupboard. The galley is well equipped with good work tops and cupboard space. The bedroom follows with a fixed double bed with storage under. The bathroom is a walkthrough and has a macerator toilet, bath with shower over, and wash basin. A utility room follows which at present houses the washing machine and loose furniture., this room has great potential. Good livaboard boat at a sensible price.
