## Evermore £22950

### **Not known 1990 - 51ft - Cruiser Stern Narrowbeam boat lying at Hanbury Marina**

Evermore is a great little project boat. Was used as a residential boat but also great for weekends and holidays. The cruiser stern boat has a traditional layout with an aft bedroom, followed by the bathroom, galley and forward saloon. The boat is good size with plenty of storage for a smaller boat. The bathroom is off corridor and has a shower tray with curtain, composting toilet and sink in vanity. The galley is good sized, clean & tidy and again with plenty of storage. A Statesman freestanding 4 burner cooker, fridge, stainless sink/drain. The saloon is a good size and left open plan for you to furnish as you will. There is also a multi fuel stove. This is a great little boat but survey revealed requires Â£10k of work including shotblasting & two pack epoxy coating hence substantial reduction in price to cover any costs.
